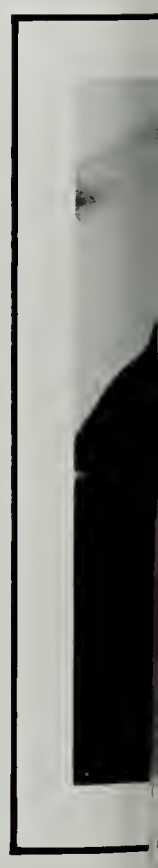
FAMILY LIFE	121
ADVERTISEMENTS	136

We are people who differ in many ways.
We are of different shades of color,
But we have one thing in common.
Our parents taught us to love, trust,
have faith, and share;
We bring these things to our new
FAMILY AFFAIR.

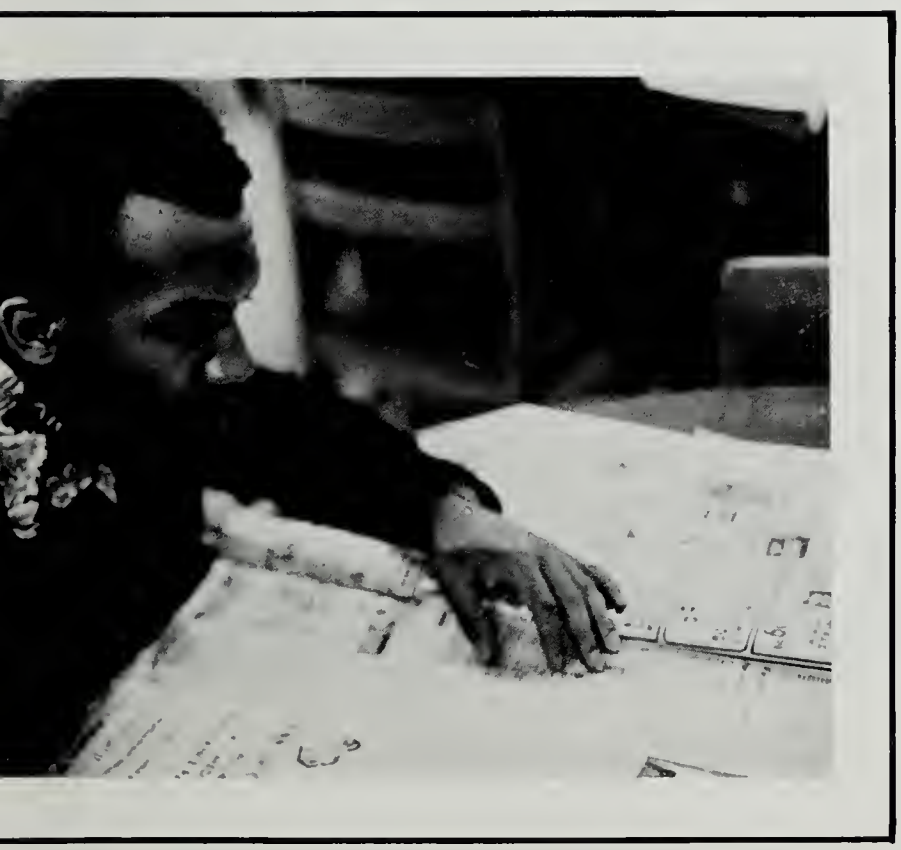
— Debora L. Rainey

He never spoke a word to me,
And yet He called my name;
He never gave a sign to me,
And yet I knew and came.

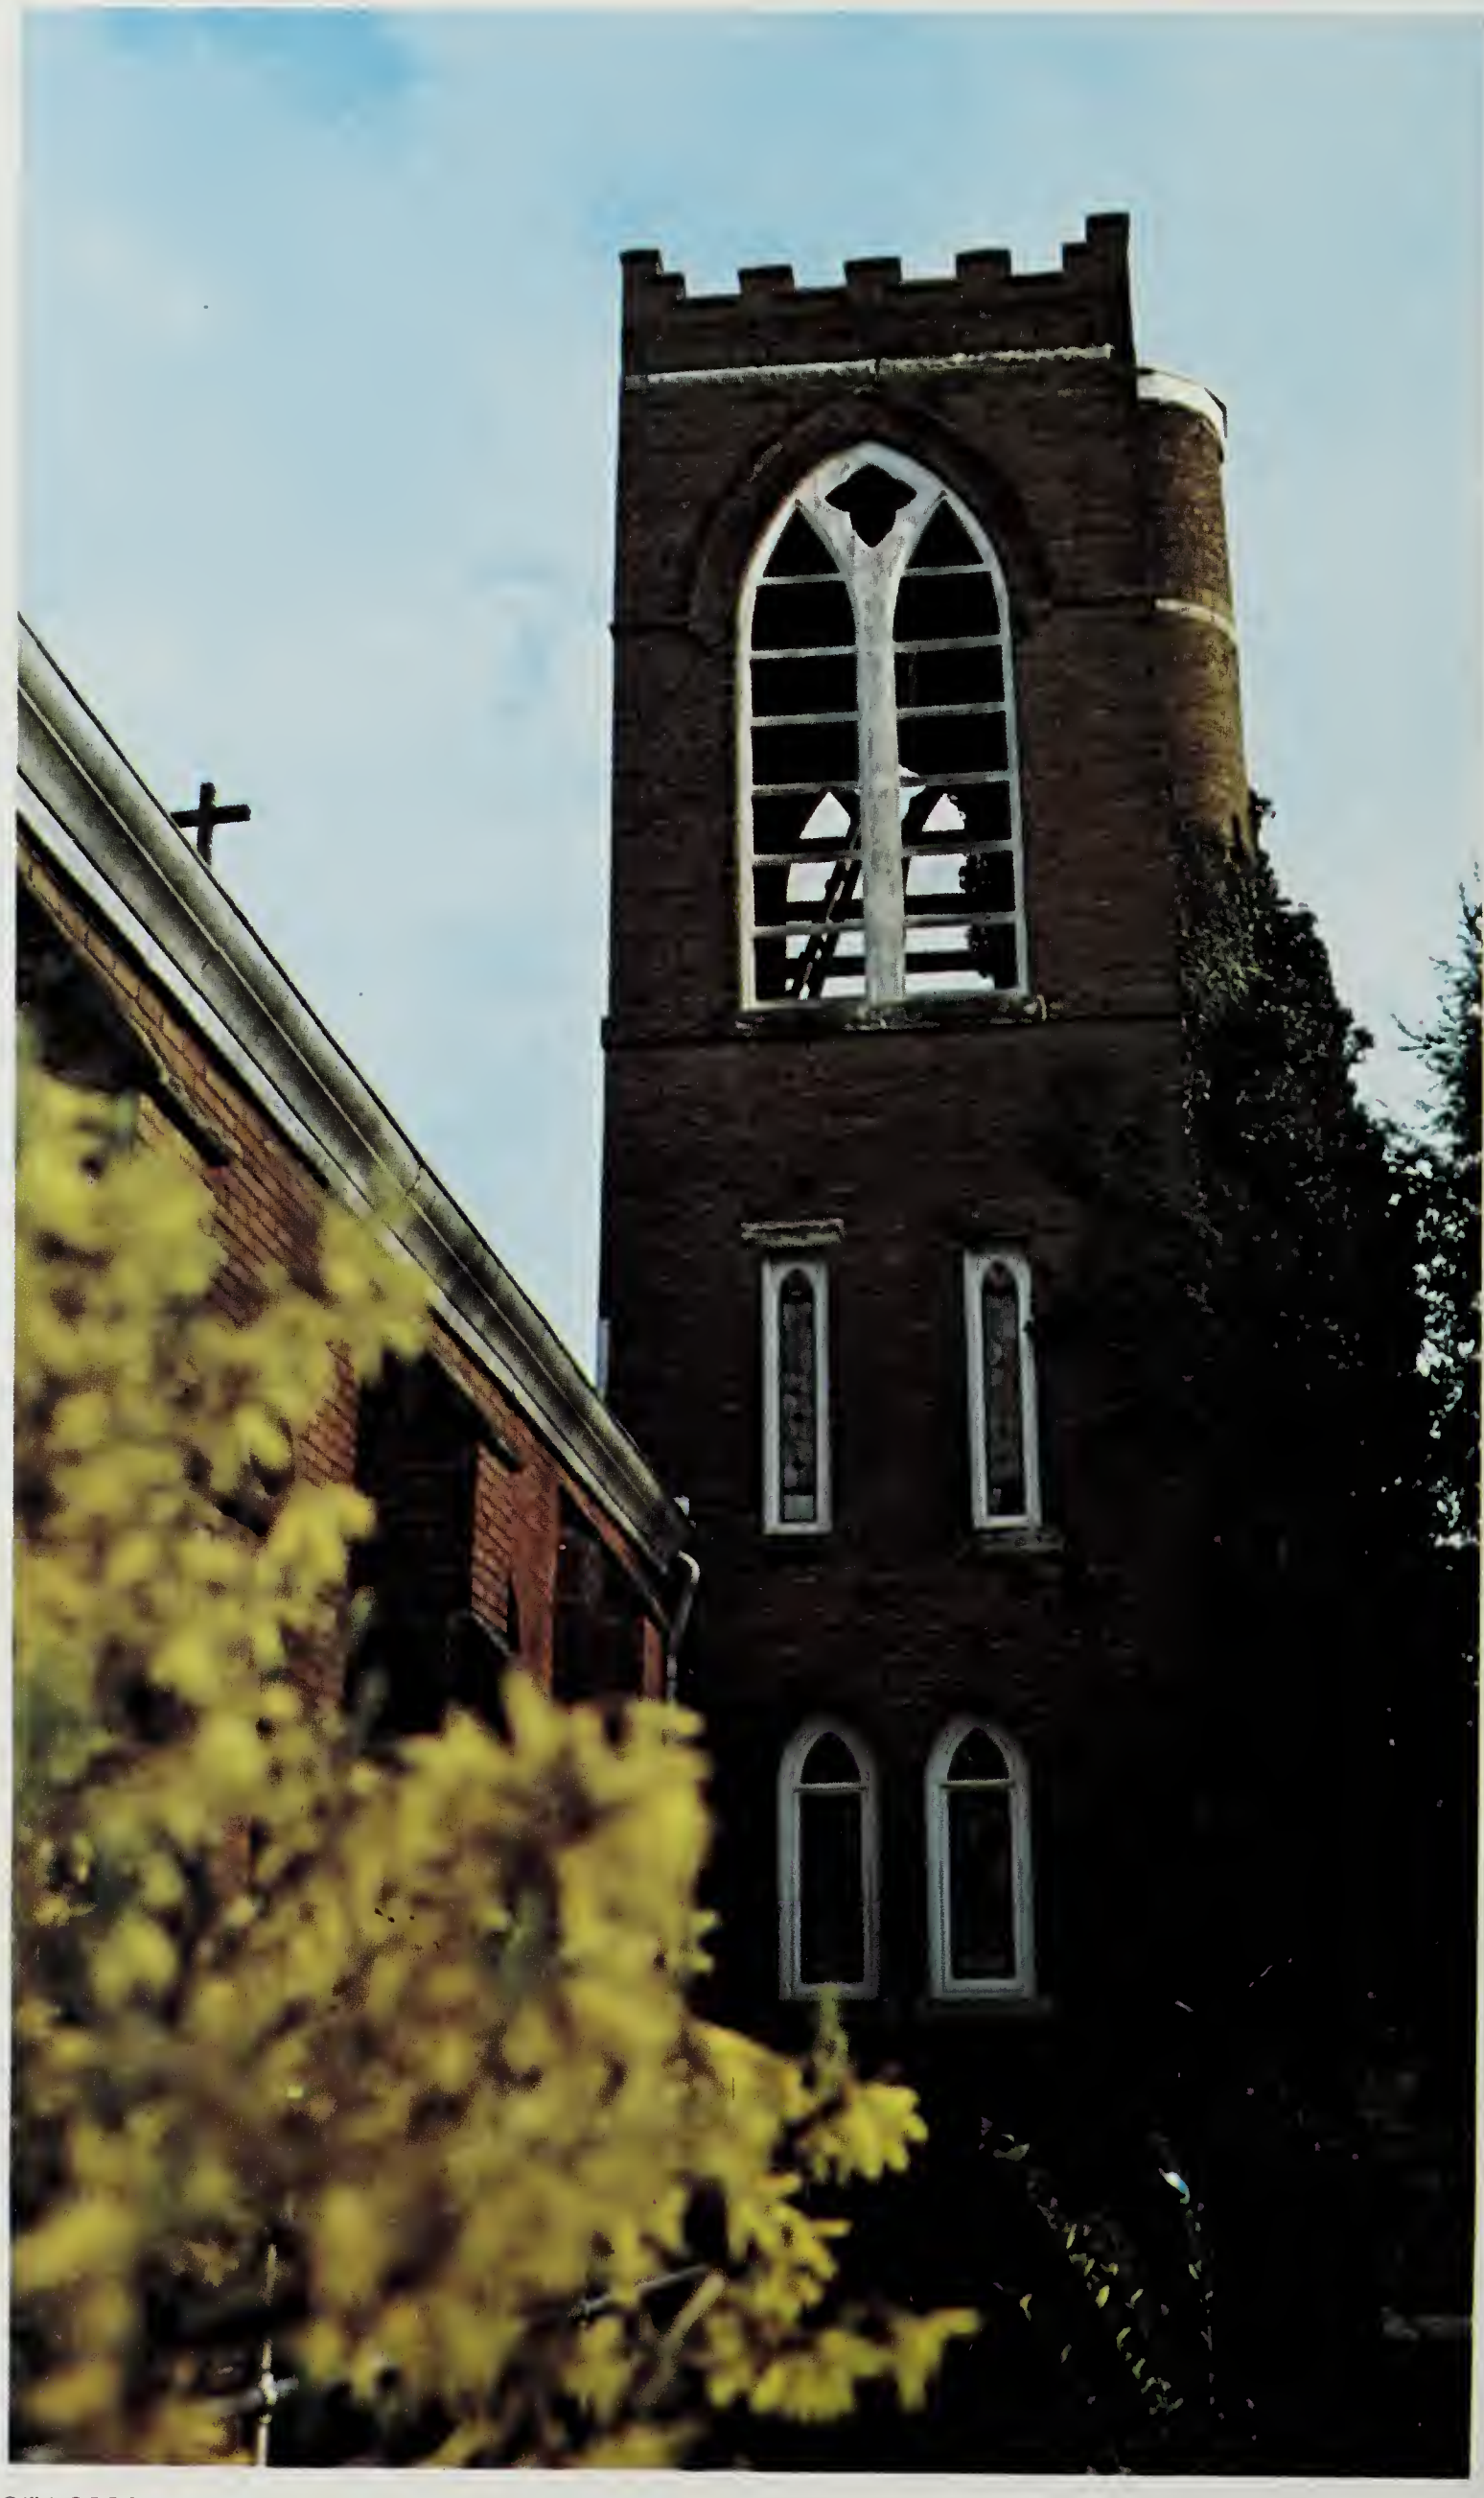
You are a part of me. I do not know
By what slow chemistry you first became
A vital fiber of my being.



Tell me about Soul
Do you know? Have I got it?
Do you have it? Can you touch mine?
I'll touch yours.



I, too, sing America.
I am the darker brother.
They send me to eat in the kitchen
When company comes,
But I laugh,
And eat well,
And grow strong.



Peace is here and in every season
a quiet beauty.

Sorrow is the only faithful one:
The lone companion clinging like a season
To its original skin no matter what the
variations.

I dream a world where man
No other will scorn,
Where love will bless the earth
And peace its paths adorn.

Can I afford friendship?
I yours or yours mine
When we are both able to dance a jig —

HAPPINESS IS A SAINT PAULITE

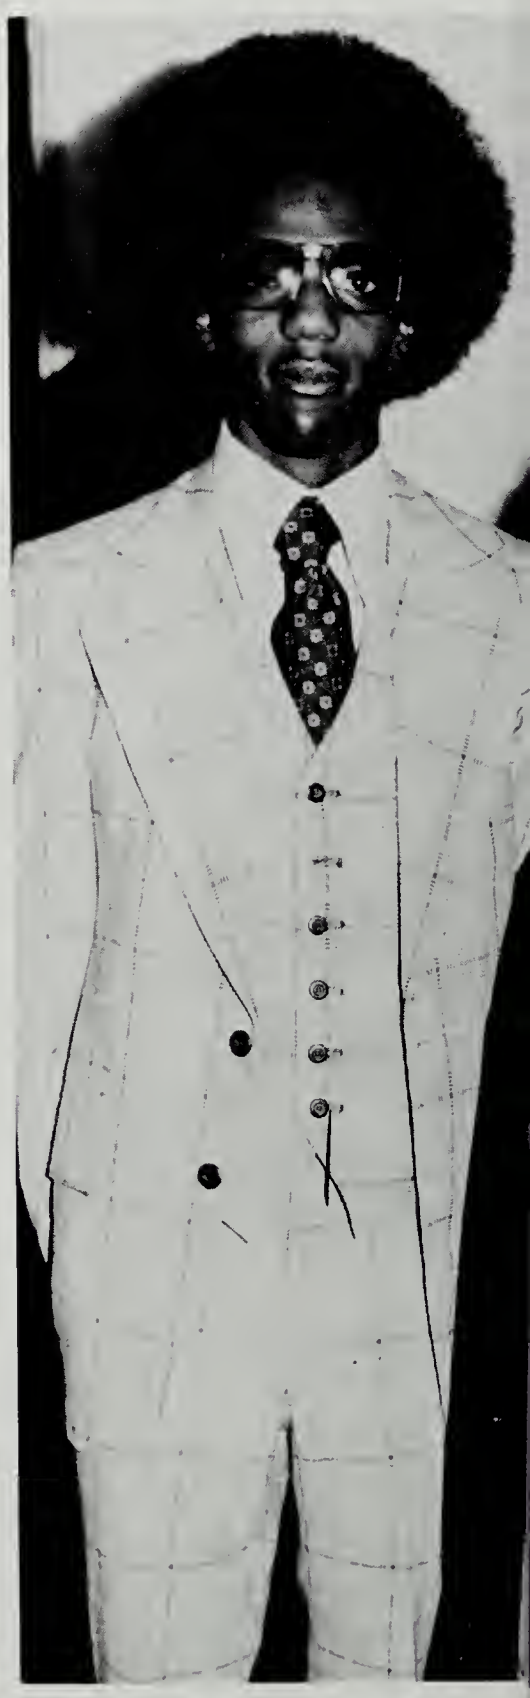
FAMILY LIFE



HOMECOMING
THE FAMILY

Homecoming '74 was a grand affair. The weather was beautiful and so were the people, especially the lovely Vivian Briggs and her escort, Darryl Chewning. The two reigned over the gala event as Miss Homecoming and captain of the football team respectively.

REUNION

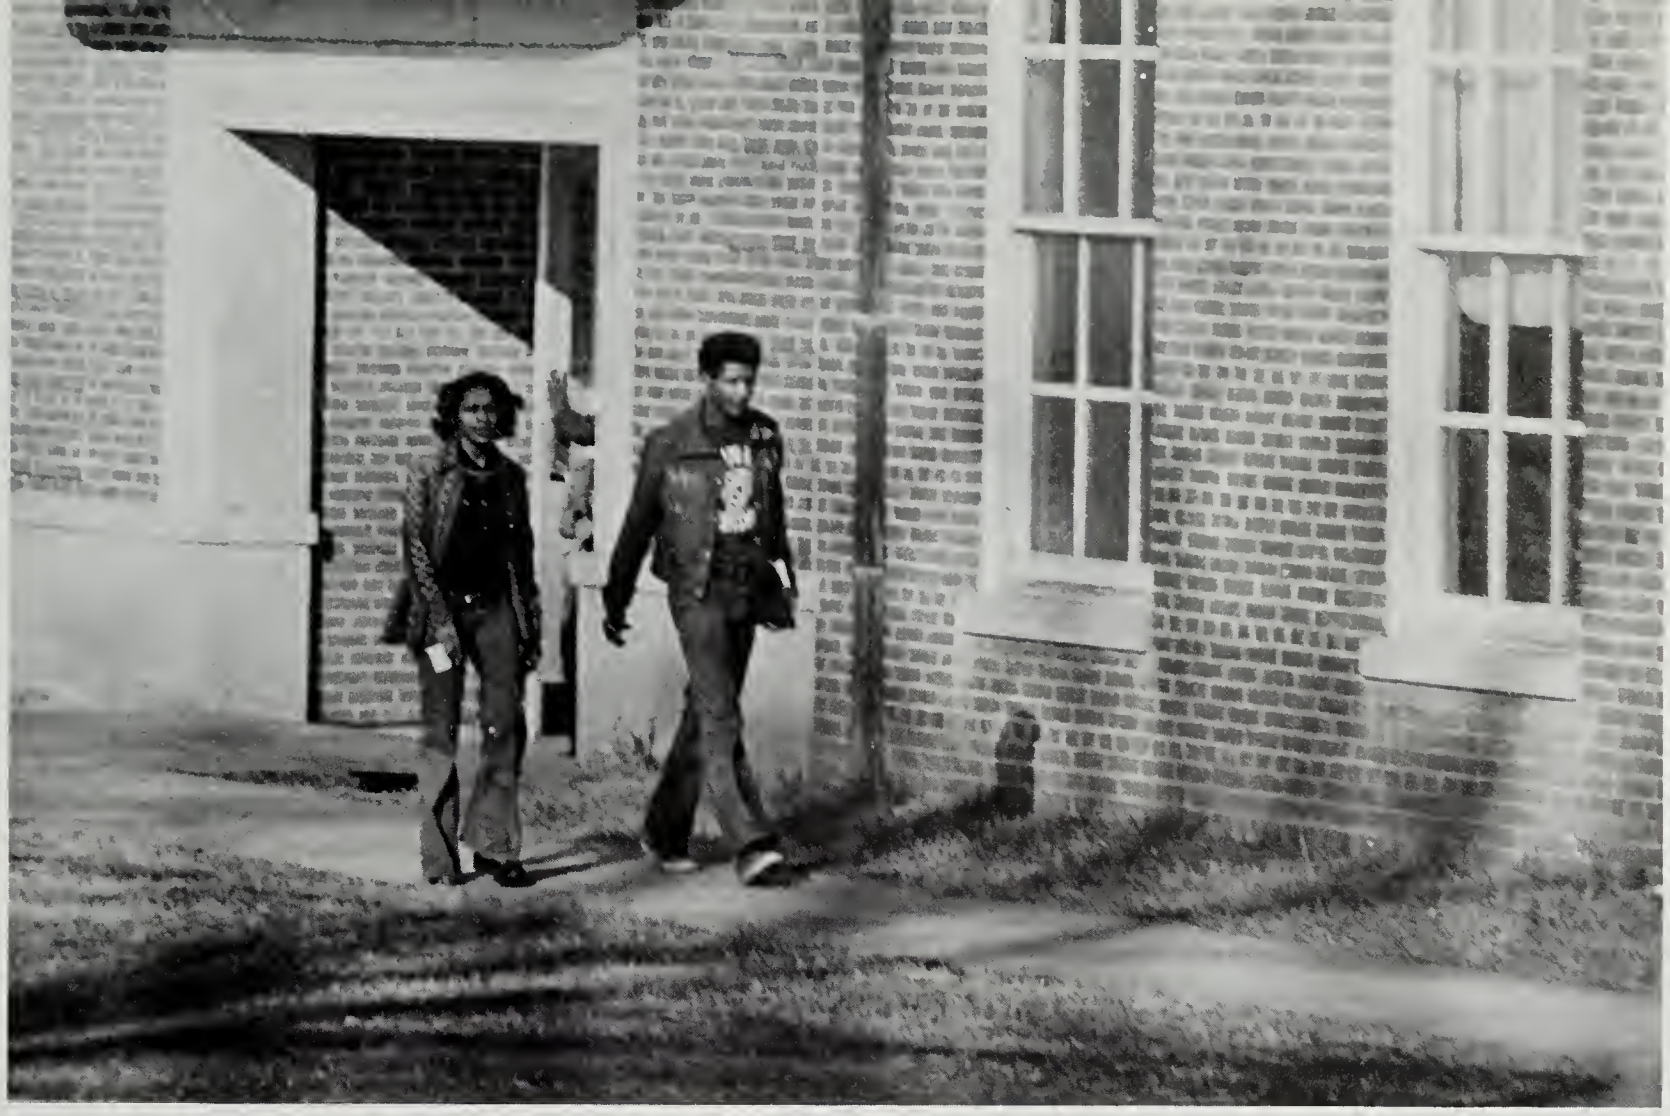
"Roasting the opponents is a lot of fun if you have the right incentive . . ."

"No one was disappointed at the results of the game as we did it to D.C. Teachers College 21 — 0.

"Now Barren, do you really know what cha' doing?"

"Styling?"

"I really must change my brand of cigarettes."



"Come on, Bro, give me a dollar."

"GOSSIP — our favorite pastime."

"Is this the REAL football team?"

"Going home for a rest."

"Shaft and Iceberg doing what they do best."

"Do you really look that way when you go to bed?"

"A friendly get together."

"A penny for your thoughts."

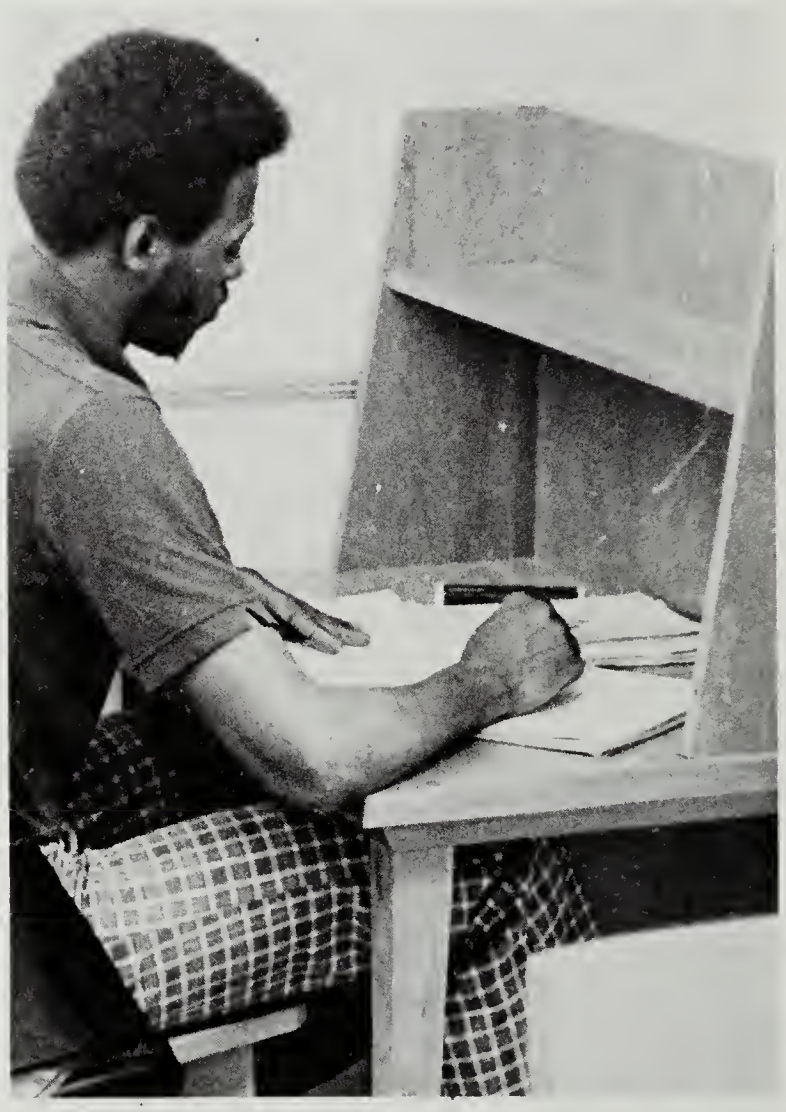
"Thirty more calories. What have you got to lose?"

"A short station break between classes."

"The power of a woman — can tame a wild animal."

"Is this really your room?"

"What it is."



Athletes do study."

"If a task is once begun, never leave it 'til it's done. Be the labor great or small, do it well or not at all." These words are indicative of the diligence exemplified by the members of the 1974-75 **Tiger** Staff . . . THANKS!!!

When the **Tiger** Staff began work, we found many closed doors. But to every closed door there is a key — FAITH. We found that "key" and because of this discovery we survived the long hours filled with hard work, symbolic of a trip to the land of success.

Just as the members of the **Tiger** Staff accomplished a goal that once seemed impossible, so can you as Saint Paulites. Sisters and Brothers believe in yourselves and your abilities. Have faith that you can do whatever you want to do. But faith without effort is futile; therefore, I would like to impress upon all of you the essence of true Blackness: Performance not excuses.

JOHNNIE EDWARDS
Co-editor

Year after year, others have tried to show the life of Saint Paul's College in pictures. The 1975 Yearbook Staff has attempted to express the warm feeling of "The Family" in this issue of the **Tiger.** This feeling is the phase of college life found here at Saint Paul's that makes everyone feel that he is more than just another number.

Our "Family" centers around the church, and this idea is proudly represented by the cover. From this and other characteristics of the Saint Paul's "Family" most Saint Paulites develop to be mature assets to our society.

Working with this yearbook staff has been a true pleasure to me as well as a true learning experience. Regardless of the late start and early deadline, members of the staff worked diligently until the very end to make this yearbook a true symbol of Saint Paul's College.

I would like to express a special thanks to Stanley W. Johnson for his contributions toward planning and his hard work in the actual development of this book. Additionally, special thanks go to all the people who stood behind Phyllis and me during the development of the 1975 **Tiger.**
